Happenings of Interest in Our Neighbor Towns.

AT ADAMS TODAY.

In Court This Morning.

Judge Bixby presided at this morning's session of the district court and disposed of these cases:

Joseph B. Martin, charged with fast driving, pleaded guilty and was fined \$3.

August Herzog was charged by his wife with non-support. Herzog and his wife had a quarrel Saturday because of stories told him concerning her and because she went to dances against his will. He left her Saturday. The wife on the other hand showed that she had contributed more to the support of the household than her husband and that he had abused her at different times by striking her. Herzog would not accompany her when she wanted to go out. William S. Morton appeared for Herzog. The case was continued until Saturday, June 27, Herzog recognizing with surety in the sum of \$100.

The continued case against Mrs. Lydia Gurney for keeping a disorderly house came up and she pleaded guilty through her counsel, William S. Morton. The case was continued for sentence until July 18, Mrs. Gurney being released on personal recognizance in the sum of \$50.

Renfrews and Stanleys.

There will be a game of base ball on the Renfrew grounds Saturday between the Renfrews and their rivals, the Stanleys of Pittsfield. This is the first game and the frequency of other games will depend upon the attendance at this one. Buckley, a western league pitcher who is under suspension has located here permanently and will pitch for Renfrew. Raids will catch him. P. J. Keilher will be umpire.

D. B. Cook's heavy truck team ran away Wednesday afternoon through Park and Centre streets to the L. L. Brown paper mill when the swing around the corner of Dean street, which is at right angles with Centre street as nearly as it would be possible for a driver to bring them around. They ran to the barn without doing much damage.

Dr. and Mrs. H. M. Holmes came home Wednesday after a bridal tour through the west.

R. L. Fosburgh of James Stewart & Co., was in town Wednesday.

The bazaar to be held by the French church will open early in July.

W. C. Phillips, who resides next door to the Methodist church, does good work as a painter and paper hanger. The number of his post office box is 522.

CHESHIRE.

George Penniman of the Grand Lodge of Sons of Temperance of the state will lecture at Greylock hall Thursday night.

The Cole versus Cole divorce case called to the June term has been dropped for some reason unknown to the libelers, L. A. Cole.

Frank Williams is home from Williams college.

Mrs. Thayer and Burton of Adams were in town Wednesday for the purpose of examining Charles Miller as to sanity.

The town authorities have been supporting this man and his large family for several months. This is a case of many peculiarities. There are no known taints of insanity in the family neither has he shown any, save his sudden change of manner. He had been a hard working economical man, here for several years, when all at once he took to the house, and would not work or go out of doors, and would prevent people from coming to see him very much. He has a wife and four children, a brother at Adams and one at Savoy. He has said the reason he did not work was that he was discouraged. The result of the examination is not yet reported to the authorities.

The social held Tuesday evening at Henry Wood's at the east part was largely attended. There were over 100 persons present and fifty from the village went there in teams. \$10 were the receipts for the Methodist society here.

The finely located and shady groves about the "Cedars" has been photographed for a cut to be used in the Pittsfield Sun. F. C. Brown, the proprietor has been a genial host at this well patronized summering place for several years. His duties as the only local fire insurance agent, and his public officers of trust and responsibility, Assessor and Treasurer of the town, make him a busy and useful man in the community.

BLACKINTON.

Mrs. Edwin Kinsey is spending a few days with her daughter Mrs. Harper at Northampton.

Word has been received that the Bennington Father Mathew society will send twenty-five members to the field day July 4.

The members of the Father Mathew society are cleaning out the under brush in the woods adjoining the baseball park in preparation for the field day July 4, and a beautiful little grove is the result. This is one of the most desirable spots in the county for a picnic and field day.

That the electric cars is a poor place to create a disturbance was clearly shown by the heavy fines imposed upon the two men arrested on Tuesday evening. We have a very efficient and obliging corps of conductors and motormen who can al-

ways depend upon the support of the general public in the strictly carrying out of the orders laid down by Superintendent Neary. "That the best of order must prevail on all cars" and at all times.

Mrs. Mortimer W. Thomas entertained a large number of her lady friends at her commodious and beautiful home, "Phelps Place," Wednesday evening. The evening was spent in a most enjoyable manner by all who attended, with a fine musical and vocal program, dancing and refreshments. The party consisted of Misses Grace A. Davies, Minnie Brierly, Susan Rickards, Ruth Blackinton, Nan A. Moloney, Annie Utman of Blackinton, Misses Madden and Buchanan of Greylock, Misses Judd, Maynard, Kellogg and Buckley of Williamstown, Misses Collins, Smith and McDon. all of North Adams, who left, declaring that Mrs. Thomas is a most hospitable hostess.

A party of young men from North Adams and Jacksonville went to Readsboro fishing this week. We judge they did not have the usual kind of fluid for bait, or we would have learned some thing about those large trout bears, etc. sometimes mentioned by fishermen from this vicinity.

The authorities should put a stop to the reckless manner some of the young men in this village ride bicycles on the side walks. It is dangerous to the riders, and pedestrians, and especially annoying to the ladies.

Ellie Perkins, formerly catcher for the Jacksonville caught for the Wilmington in Tuesday's game. Ellie is a dandy catcher, but he doesn't say much about it, but he would have learned some thing about those large trout bears, etc. sometimes mentioned by fishermen from this vicinity.

HE READ THE PAPERS.

A North Adams Citizen Profits Thereby. He Tells About It Publicly for the First Time.

Mr. Wm. Robinson, No. 21 Houghton St., is a machinist by trade possessing many acquaintances any of whom will vouch for his veracity. He has suffered greatly from inflammatory rheumatism and of late years his kidneys have directly bothered him bringing on urinary troubles. Now we want particularly to draw our readers attention to the testimony given by Mr. Wm. Robinson. He does not say he is cured completely for traces of disorder still remain. Notice the absolute faith he has in the means he employed to restore him and how quickly that means acted on an old and stubborn complaint. It will act the same with you if your ailment arises from your kidneys. Says Mr. Robinson: "I suffered terribly from inflammatory rheumatism for years, so much so I had to give up my calling. Serious urinary difficulty attacked me and that with a settled pain in the loins unfitted me for anything and made me utterly miserable. Desire to urinate frequently murky cloudy urine—a dull grinding pain that followed to bed and prevented me from sleeping was my daily portion. I tossed and turned from side to side in quest of ease that never came. The base of the spine seemed to be affected and I was in a bad way when I went to Burlington & Darby's drug store for Doan's Kidney Pills. The leading journals were publishing incidents where Doan's Kidney Pills were effecting cures and they naturally interested me and finally persuaded me to give them a fair trial. Now from the benefit already received I am competent to judge of the merits of Doan's Kidney Pills. I have only slight traces of my late troubles and probably they are more imaginary than real. I heartily endorse Doan's Kidney Pills. I have received more benefit from them than from any other medicine and I have some faith in them that I know they will remove the last vestige of disease if any exists."

Doan's Kidney Pills are for sale by all dealers. Price 50 cents or mailed by Foster-Milburn Co., Buffalo, N. Y., sole agents for the United States.

It acts mildly on the stomach and bowels, adding strength and giving tone to the organs, thereby aiding nature in the performance of the functions. Electric Bitters is an excellent appetizer, and aids digestion. Old people find it just exactly what they need. Price fifty cents and \$1.00 per bottle at Burlington & Darby's Drug store.
